PROBLEM STATEMENT

I am	I'm trying to	But	Because	Which makes me feel
deaf person	communicate with others	unable to recognize normal people speech	its hard for me to understand thier lip sync	frustrated and regretful
mute person	express my thoughts	i can't convey my feelings	normal people don't understand what i'm trying to say	more depressed
a parent of a partial deaf-mute kid	teach sign language to my child	he doesn't listen to me	its not interesting for him to learn	downhearted and discouraged
a child of deaf-mute father	understand what he wants to say	sometimes i'm unable to understand	his signed actions are unknown for me	sad
